# Agenda

- ▶ Congratulations all of you for making it this far in the course
  - I know this material takes hard work and concentration to grok.
- ▶ Dave Lester will talk about Common Crawl today.

# Homework

Let me know whether you are close to running out of credit on <http://picloud.com>. We want to be ready to work on CommonCrawl.org using PiCloud.com.

**Have a great spring break – see you in April.**
