

Day 19: PiCloud, CommonCrawl revisited, Projects

Raymond Yee

April 2, 2013 (<http://bit.ly/wwod1319>)

Agenda

- ▶ Review of CommonCrawl
- ▶ Fernando Perez will be speaking to us on Thursday.

Midterm

- ▶ See midterm key
- ▶ Scaling of grades: anything above score $+ (\text{score}-60)/4 \rightarrow$ if you had 84, you would get 66/60

CommonCrawl Review

- ▶ On Day 18, Dave Lester gave a nice talk about Common Crawl: <http://www.slideshare.net/davelester/introduction-to-common-crawl>
- ▶ Today, we will work through: `Day_19_CC_etc.ipynb`

Homework

- ▶ Let me know whether you are close to running out of credit on <http://picloud.com>. We want to be ready to work on CommonCrawl.org using PiCloud.com.
- ▶ I will develop a homework set to lead you through calculating stats on the CommonCrawl data set.
